

Bridgwater Parent Support Group

A support group for parent carers of children/young adults with Special Educational Needs and/or Disabilities

www.bridgwaterparentsupportgroup.com

Every second Wednesday of the month 10am - 12 Penrose School, Albert Street, Bridgwater. TA6 7ET

It's Free!

Our monthly meetings give parent carers a chance to share information and experiences over coffee and biscuits. If you have only just found out that your young person has additional needs or if you have been living with a diagnosis for years, it is always good to talk to others in your situation and to know that **you are not alone**. Don't worry if your young person does not have a firm diagnosis, we welcome all families, diagnosed or not.

What we do:

- Provide Information
